the best life  
has to offer.

Faye Hackney

Growth is indicative of life, and change is an integral part of growth, and progress necessitates change; therefore man is never content to stand still. In the area of education, as much as in any other part of life, one is aware of change. The student of the 1966 world needs a unique type of education to prepare him to take his place in the rapidly changing world. Rocky Mount Senior High offers such an education.

## RESPONSIBILITY OF LEADERSHIP

is one girl I am glad I  
got to know. Stay just the way  
you are & you'll always have  
happiness. Lots of luck to you  
Always — Linda Levy

There are many levels of leadership which effect our lives daily. The principal exercises his authority by interpreting state school laws, board of education policies, and by making and carrying out school rules. The teachers aid the principal by insuring that we know, understand, and abide by these rules. They also lead us daily in comprehending and absorbing the knowledge that is offered to us. The student leaders provide us the needed link between faculty and students. They express our opinions and lead us to make decisions for the betterment of the school as a whole.

But let us not forget the responsibility of leadership that lies on the shoulders of each of us. We are obligated by our position as Senior High School students to lead ourselves and others along the paths of honesty, loyalty, morality, good sportsmanship, and good citizenship.

Betty Joyce,

You have really made  
Homerown 120 a lot brighter  
than it would be without  
you. Best wishes to a  
very sweet girl an May  
the world rest at your  
feet. God bless you. I'll  
never forget your great  
personality and your  
warm smile.

Love ya'

## NECESSITY FOR PHYSICAL FITNESS . . .

Sometimes in the daily rush of homework, book reports, and tests, we are inclined to forget one of the most important aspects of life — our health. The increased emphasis on detailed study, the wider range of subject matter and space-age technology have combined to make us feel the pressure of time. One of the hardest lessons a young person has to learn is to avoid over-taxing himself physically. Today's appeal for physical fitness is a much needed one. The keeping of health records and eye and ear testing are as much a part of Senior High program as the one period physical education classes and team competition.

## WILLINGNESS TO TRY NEW THINGS . . .

As American teenagers we try new things constantly — new hairdos, new clothes fads, and new foods. We use a strange word once, and if it sounds "cool" or "neat" it immediately becomes a part of our jargon. We must retain this spirit of eagerness about the new experiences we encounter at Rocky Mount Senior High. Whatever the new experience may be, we must participate in it with interest and enthusiasm and accept it as an integral part of our school life.

## IMPORTANCE OF SCHOLASTIC ACCOMPLISHMENT . . .

The group of students files into the classroom, listens to the instructions, and then begins to work. The Scholastic Aptitude Test is underway, but it is more than a test required for college entrance. It is a test of the knowledge that we have accumulated through the years. Juniors, realizing that college is not far off, pause to look at loan and scholarship offers, and to puzzle over when and where they should apply. Seniors, sensing that graduation is more than just the end of another year, ponder over questions only the future can answer. As we look back at the school year, we are reminded that clubs and social events will soon be only pleasant memories, but the record of our scholastic accomplishments will go with us through the years.

Through the combined efforts of parents and teachers we are given the opportunity to educate and develop our minds. We must learn to accept the challenges of a varied curriculum and better ourselves by facing them with an open mind and an eager spirit. As we absorb the knowledge that is offered to us, we must realize that men have lived and died so that the questions of young Americans can be answered by those whose questions have been answered by others. We must accept the challenges of this varied curriculum and educate ourselves as fully as possible, so that we can answer the questions of the next generation of inquisitive Americans.

Betty Joyce,  
It sure has  
been nice knowing  
you these past few years.  
Well since I met you at  
Patrice's house. You are a lot  
of fun & talk to, and I certainly  
wish you the best of  
luck in whatever you  
undertake. Be sweet  
and I'll see ya!  
Sincerely  
Paula

## CHALLENGE OF A VARIED CURRICULUM

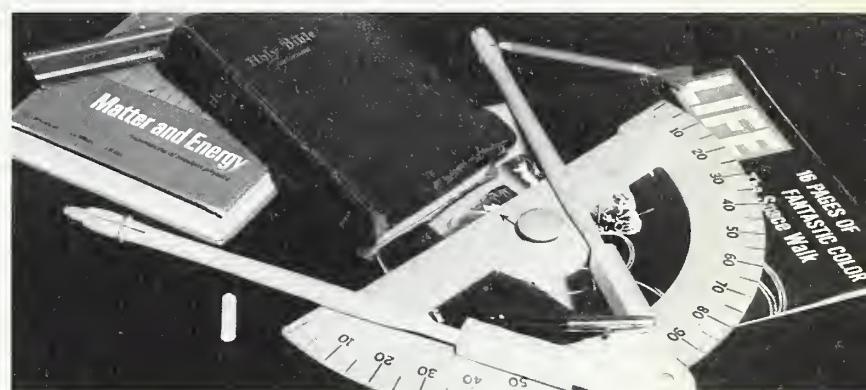

Dear Betty Joyce  
I am sorry to say  
to have had you in my  
classes. Best wishes to  
you.  
Love  
Donald Barry

TOWARD

As high school students we show our progress in many ways. While looking to the Lord for guidance and to our parents for understanding, we must also look inward. Our social maturity must be revealed in the way we act with others our own age, and with those older and wiser than we. It must also be revealed in our acceptance of civic duties, moral responsibilities, social opportunities, and religious convictions.

To achieve these ends we must progress through growth in mind, body, and spirit. As tomorrow's citizens we have a responsibility to ourselves and to others to accept and overcome the civic, moral, and social challenges we encounter.

# Dedication

For twenty-two years the Rocky Mount City Schools have been close to the heart of this dedicated man. For five years as principal of Senior High School, and seventeen years as Superintendent of City Schools, he has given his best to the profession he loves and serves. His abiding interest in the youth of our city has been reflected in the amazing growth of the school plant, the expanded curriculum, the highly qualified staff, and the excellent statewide reputation of the entire system. His genial disposition, sincere concern for those in his care, and genuine interest in all phases of school life have endeared him to students and co-workers alike.

Because of his lifetime of service in the field of education, his influence as a leader in the church and civic life of the community, and just for being the fine gentleman that he is, we, the staff of the 1966 Hi-Noc-Ar, gratefully and proudly dedicate this yearbook to **Mr. Daniel Sloan Johnson**.

## Efficient Administration

Because it has kept pace with the rapidly changing academic emphases and teaching techniques, the Rocky Mount City School System has been recognized as one of the outstanding units in the state. Under the capable direction of our new principal, Mr. Colombo, our interested school board, efficient administrators, and dedicated teachers, Rocky Mount Senior High has undergone re-evaluation by the Southern Association of Colleges and Secondary Schools and the State Department of Public Instruction.

Through a modern approach, our school system assists students in discovering and appraising their abilities, encourages intelligent educational and vocational decisions, promotes personal adjustment and provides a varied curriculum in accordance with the wide range of cultural, social, civic, vocational, and recreational interests of the students.

Mr. D. S. Johnson, Superintendent.

In meeting the high standards of our school, the English Department in its aims presents five specific goals: to provide basic developmental and remedial reading instruction, to teach the use of correct techniques and skills in oral and written language, to develop skill in listening and observing, to develop pride in the English language and an appreciation for literature, and to encourage creative expression.

There are classes for the average, accelerated, and slower learner. Through the use of special machines, Developmental Reading offers each student an opportunity to attain greater comprehension and speed.

# Studying Languages — A Step to Understanding . . .

Travel through worlds of excitement with El Cid as he fights the Moors in Spain, with Louis XVI and Marie Antionette as they flee from Versailles, or with Caesar as he fights in the Gallic Wars! These adventures come alive at R.M.S.H. as language students study French, Spanish, or Latin.

After a study of grammar and conversation, pupils begin to read the great literary works of France, Spain, and the Roman Empire.

Through the use of a language laboratory, fluency in the speaking of French and Spanish comes more rapidly.

Instruction continues as students are taught to understand the influences of ancient or modern languages, art, and other cultural developments.

## Learning from the Past . . .

"He who refuses to learn the lessons of history is doomed to repeat them."

In order to learn of the past, understand the present, and prepare for the future, the Social Studies Department directs students toward preventing the fulfillment of this adage.

Students are taught to analyze economic, social, or geographical problems before arriving at conclusions.

Accepting the responsibilities of citizenship, our students go forth to help America take its place in world affairs.

# Developing Physical Ability . . .

Hang on Bobbie! Just 20 seconds to go.

Keep it up fellows!  
You're looking good.

Chins tucked, Brenda and Georgia demonstrate the correct form for a forward roll.

"Oh, my poor aching legs!" How familiar these words were at the first of the year when the physical education students began their rigorous program of physical fitness.

A required course for seniors, an elective for underclassmen, physical education promotes good sportsmanship and a wholesome spirit of competition.

Each class warms up by doing fifteen minutes of calisthenics — jumping jacks, toe touches, and sit ups; then teams up for such sports as soccer or softball.

A genuine effort is made to help students develop physical skills and to demonstrate that physical activity can provide enjoyment in personal life.

## Encouraging Logical Thinking . . .

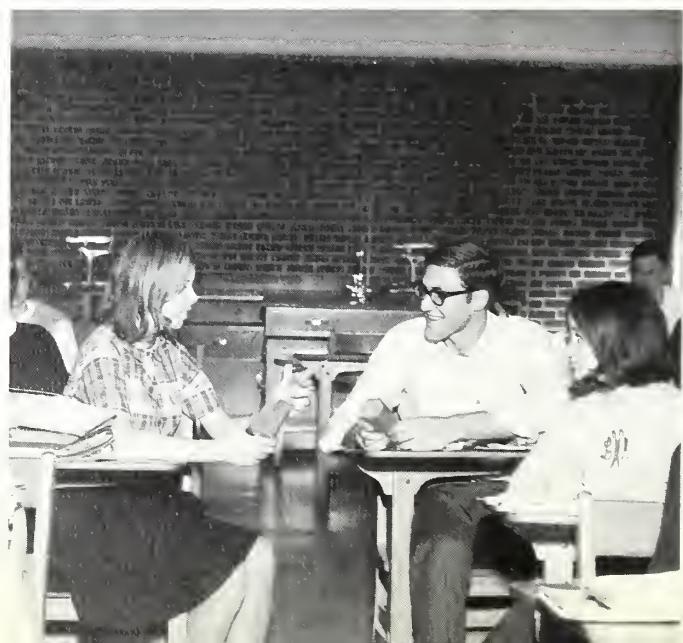

Modern mathematical equipment makes graphing easy for Jane Cousins.

Designed to give students a solid mathematical background, the Mathematics Department at Senior High now offers plane and solid geometry, Algebra I and II, college algebra, and trigonometry. A special course in mathematical analysis challenges the advanced student and helps him adjust to the abstract viewpoint of college mathematics.

By teaching the student to think logically, the mathematics curriculum helps him broaden his outlook on all phases of life.

## Perfecting Our Talents

Busy Edsonians work on the set for "The Unsuspected."

"P" does not mean plenty powerful!

Whether demonstrating their ability as a marching unit or just playing in concert, the Senior High Band is an inspiration to its hearers. Being a member of the band is a rewarding experience, and students practice diligently to perfect their talents.

What's that beautiful singing? It's our choir. The blending of voices that thrill our student body is a result of many hours of study. Learning beautiful compositions and relaxing through singing are two experiences of chorus students.

Students in the Dramatics Department are directed toward personal creativity in the writing of plays and studying theatrical make-up. Emphasis is placed on voice improvement. Participation in major stage productions offer an opportunity to put newly acquired skills to work. The Edsonians have been acclaimed by critics as "nearly professional" in these productions.

# Broadening Our Cultural Knowledge . . .

So you are working on your senior theme? Or it's a parallel history book you need? Just head for the library. Thanks to Mrs. Bailey, Mrs. Taylor and eighteen student staff members, 9000 books, 55 magazines, and other materials are available to students.

Creativity is essential to all areas of learning. Believing this, RMSH offers three years of art. First year students study the basic techniques and history of drawing, painting, sculpture, and architecture while graphics, ceramics, and commercial art are introduced the second year. Third year students may pursue in their own studies any of the areas of art that appeal to them.

## Acquiring Vocation Skills

Preparing students for careers in the business world is the aim of the Business Education Department. Typing offers many opportunities to the student planning a secretarial career and to the college-bound student. Shorthand and Bookkeeping students learn to employ their skills as stenographers or bookkeepers. Office Practice students gain actual work experience with office machines.

Distributive Education offers classroom training in salesmanship and wholesale and retail selling, along with actual work experience.

Industrial Co-operative Training, a new program, enables the student to choose from a variety of specific technical areas.

Home Economics

Home economics is a course in homemaking, not housekeeping. Its chief objective is to develop homemaking skills and an appreciation for wholesome family life. The varied program of this department includes such areas as food preparation, home nursing, and good grooming.

The three courses offered in the Industrial Arts Department are aimed at providing students an opportunity to develop skills and attitudes needed to secure and handle competently initial employment and to experience subsequent success. Vocational Machine Shop gives training in skills which may lead to employment in the metalworking field. General Shop emphasizes woodworking and Mechanical Drawing interests college-bound students considering a career in engineering.

## Sophomores

"Whew! We finally made it through our hardest year of Senior High."

A sophomore is someone with a side slightly indented from carrying a myriad of books . . . Someone who is usually lost . . . A sophomore, the last one to receive privileges, the first person to volunteer . . . A sophomore is a tear stained headache and a brimming bundle of enthusiasm . . . A sophomore . . . is a beginning.

Every Monday during Group Guidance, Miss Kitchin gives sophomores helpful instruction to prepare them for their years at Senior High.

# An Exciting New Year Calls for

Two down and one to go! Juniors stuck a finger in almost every pie and still found time to be sympathetic Sophomore advisors. Suddenly aware of their superiority, Juniors assumed their places in Senior High with dignity, and displayed shiny class rings with pride. Showing an amazing burst of energy and spirit, they prepared a magnificent Junior-Senior. After vacating their roles to unsuspecting Sophomores, the Juniors donned the robes of mighty Seniors.

Walk like a Senior? Nope, not yet!

Class officers for the fall term were Dwight Ethridge, treasurer, Arthur Marcus, president, Johnny Gower, vice-president, Dan Ballance, secretary.

## Seniors

Tempus fugit, as most of us seniors realize now after musing over the past three years. It seems only yesterday that 388 of us, bewildered, gathered in the auditorium to hear school officials welcome us and orient us to the swift, progressive atmosphere of life at R.M.S.H.S. Since then our image has changed gradually. Some of us moved away; some moved in. We hope that we have grown in stature, maturity, and intelligence. Our spirit, just as enthusiastic as when we first arrived, will remain forever unique to us, the Class of 1966.

# the Fantasy Out of “Seniorship” for 371 Students

**Frustrated** was the word for us that first year. There we were, SOPHOMORES, the bottom of the totem pole. Most of us had trouble finding the classrooms, to say nothing of trying to adjust to new ideas, schedules, and environment. Our myriad questions finally vanished as Miss Kitchin led group guidance sessions on study habits, school policies, attitudes, and opportunities. The class dived into the magazine campaign and sold \$3,426.44 worth of subscriptions, thus establishing our treasury.

With the arrival of football season we elected Junior Varsity cheerleaders Becky Edwards, Jenny Hammond, Martha Chambliss, Anne Milgrom, Linda Ray, Martha Kincheloe, Frances Gravely, Ann Robertson, Lea Haggerty, and Josephine Vann, head. Varsity football games provided us fun and excitement; we followed the Birds to a state championship.

The Christmas vacation brought welcome holidays to a group beginning to fit into the image of Senior High, but all good things must come to an end, and the first semester exams welcomed us back.

The second semester brought many things to us. We organized formally as a class with the election of officers: Johnny Harness, president; Johnny Williams, vice president; Brenda Allen, secretary; and Bobby Kornegay, treasurer. The class initiated the use of the preferential ballot into voting procedures. Mrs. Ora Van Buskirk accepted the office of class advisor.

# as Seniors Observe Clash Day

Sophomore shyness began to wear away as we showed our talents. Some of us became hootenanny singers; some took roles in dramatics and musical productions.

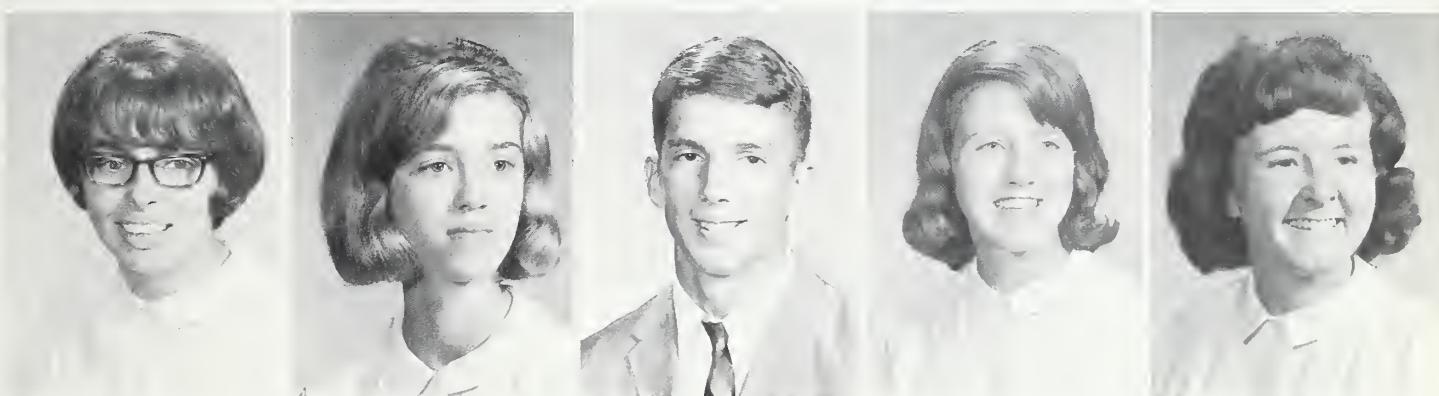

At the Roman banquet in April, Johnny Williams and Josephine Vann were proclaimed Caesar and Calpurnia. Johnny Hartness received the Civitan Award, and several of us were presented organization awards and academic letters at the final assembly.

June 1 came slowly enough, and we departed for summer vacations and jobs. Brenda Allen attended the Leadership Workshop at Mars Hill, and Johnny Hartness went to the Governor's School in Winston-Salem. Clay Couch and Bobby Fuerst studied at the University of North Carolina.

Our junior year rushed in, as we returned, tanned and relaxed, to Senior High. Our size had increased to over 400, and we became the largest class in the school. Autumn of 1965 brought the installation of class officers: Eddie Baysden, president; Scotty McCullough, vice president; Martha Kincheloe, secretary; and Bob High, treasurer. Football claimed the services of many junior boys, who helped the Birds to another conference championship, while some remained on the J.V. squad.

# Festivities Highlighted by Crowning of Queen

All of us felt more at ease as we joined clubs and committees. The magazine campaign provided \$2975.63 for our efforts. Maria Martinez of Spain, our foreign exchange student, lived with Beth Ann Boone, and enlivened our year with her interest and charm.

Since our junior year was to be very important for college preparation, most of us settled down to hard work. The P.S.A.T. in October offered quite a challenge to us, and we gained experience for taking the college board tests.

Happily we ordered class rings. Now we could unmistakably be identified as "not sophomores."

College Day brought a feeling that graduation was closer than we thought. After the Christmas holidays we returned to elect new class officers. Chosen to lead were: Brenda Allen, president; Bobby Kornegay, vice president; Mary Ann Pregnall, secretary; and Josephine Vann, treasurer. Junior Class activities increased. The National Merit Qualifying Test and the S.A.T. exhausted our intelligence temporarily, but we recovered in time to plan the Junior-Senior. Under the able leadership of Brenda Allen, committees buzzed with exciting ideas. Finally, on April 23, Tarrytown Mall echoed the theme "Three Coins in a Fountain."

Adrianna Grant and Jim Price attended a special physical fitness program in Greenville, and Hugh Shearin, Lonnie Bryant, and Johnny Hartness went to the Symposium on Science and Humanities at Duke. ## Aesthetic Values in Students

We inherited "certain inalienable rights:" the Senior walk, the privilege of leaving the auditorium before the underclassmen, and the right to leave class two minutes early to eat lunch. This was truly our year, for we were to dominate the highest positions in almost every major school activity. Our officers for the fall term were installed with Johnny Williams, president; Bob High, vice president; Joy Craig, secretary; and Clay Couch, treasurer. The seniors also won Student Organization positions. Eddie Baysden won the presidential post; Scott McCullough was elected vice president; Blair Frohbose was elected secretary; and Johnny Harthess was appointed treasurer.

# and Cram Frantically for Their Final Examinations

December brought the S.A.T. and later a happy Christmas vacation, but we returned to mandatory first semester exams. By this time the realization had begun to strike most of us that only a few precious months remained in our high school careers. Ordering calling cards, graduation invitations, and caps and gowns brought that realization closer. The days rapidly turned to months, and June was just around the one last corner. The last slate of class officers was elected, and outstanding seniors were chosen. Our social calendar climaxed with a delightful Junior-Senior. Athletic teams played their last games. Our twelve years of knowledge culminated in final exams. We saw our last Hobbs play, read our last **Blackbird** and HI-NOC-AR, and ate our last lunch in the cafeteria. The awards assembly gave recognition to scholarship winners and outstanding students.

At last came a hectic week of practice for baccalaureate and commencement exercises. Friendships with faculty and longings for the school became intense. On Sunday, May 29, baccalaureate services were held. Seniors entered the packed room to the strains of "Pomp and Circumstance." We listened intently to everything said and braced ourselves for graduation night.

June 1 was not just another day for us, for it brought with it both joy and tears. As we proceeded to the speaker's platform at Municipal Stadium to get our diplomas, each of us, overwhelmed, cried a little inside.

# Walking Ahead, Seniors Remain Unique

Those tears signified all our trials, fears, and hopes of our twelve years just past.

There we were, and here now we stand on the threshold of a new phase of life. Though sometimes trying, those days at R.M.S.H.S. were wonderful. Just as we were fitted together into one great image while we attended school, so must we now depart for a brave new world, trying to maintain in each of us a part of that spirit, trust, enthusiasm, and ecstasy that has been us, the Class of 1966.

## The Student Organization —

The Student Organization is the representative student group of Rocky Mount Senior High School. It consists of two elected members from each of the thirty-five homerooms and is headed by three elected officers and an appointed treasurer. It is the highest of three levels, the other two being the homeroom organizations and the class organizations.

At meetings which are held every two weeks, regulations and resolutions are brought up and voted upon. These

regulations and resolutions that are passed become the basis of all student activities.

There are ten standing committees, with one special committee, the School Spirit Committee, in operation this year. These committees work separately to accomplish their various duties and jointly, by means of the President's Cabinet, to achieve school unity and co-operation.

Carol Dubel and Wanda Smith go about their daily duties in the Student Store, sponsored by the Student Organization, by selling supplies to Jimmy Cox and Clarence Crumpler.

The 1965-66 Student Organization officers are: Johnny Hartness, Treasurer; Eddie Baysden, President; Blair Frobose, Secretary; Scott McCullough, Vice President.

The other representatives are **FIRST ROW**: Anne Townsend, Bobby Kornegay, Lynda Stallings, Jane Ferrell, Pam Robinson, Johnny Williams. **SECOND ROW**: Woody Webb, Billy Alford, Mike Colombo, David Petway, Georgia Hand, Joe Strickland, Lacey Bulluck, Helen Chambree. **THIRD ROW**: Charles Dice, Josie Rowe, Henry Amerson, Anne

Taylor, Baron Shuler, Mack Pridgen, Debbie Slone, Bill Meakin. **FOURTH ROW**: Steve Roberts, Bobbi Creech, Beverly Rosser, Pam Strickland, Margaret Tharrington, Jeff Surles, Herbert Greenberg, Margaret Winstead. **FIFTH ROW**: Lee Hudson, Mike Dixon, Gray Brantley, Nicky Johnson, Martha Arrington, Stephen Battle.

## Leader of Student Activities

The magazine campaign is the major money-making project of the Student Organization. With the money received from the sales of magazine subscriptions, the various activities are financed. One of the primary activities is the sponsoring of an A.F.S. student each year and the sending of one of our students as a Summer Abroad Student. All this work is done under the direction of the American Field Service Committee. The major school functions are also sponsored by the Student

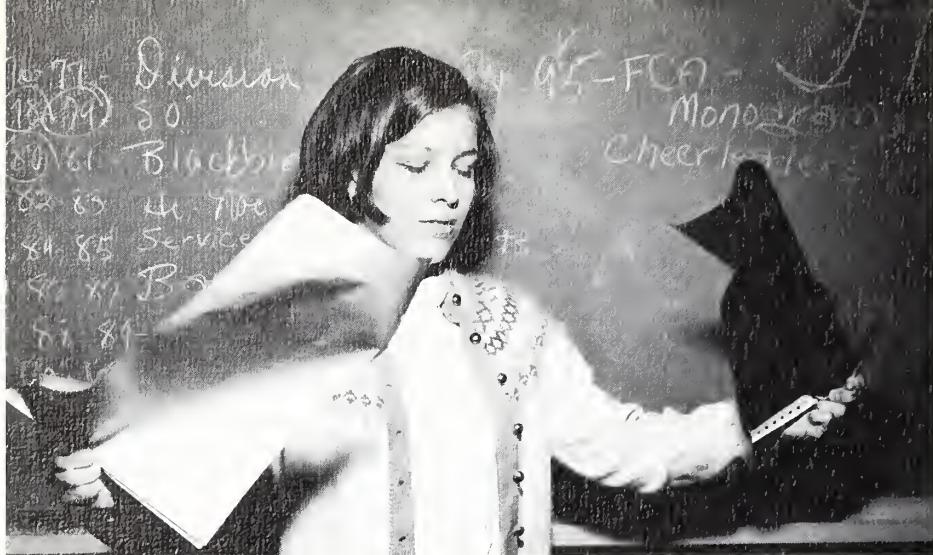

Organization, such as the Homecoming Dance and the Spring Dance.

Each year the Student Organization is faced with many problems which need to be solved. Re-accreditation, keeping the house and grounds neat and clean, student participation in assemblies are a few of the stumbling blocks which the Student Organization has had to overcome.

The members of the President's Cabinet are **SEATED**: Gay Lyles, Adrianna Grant, Eddie Baysden, Scott McCullough, Blair Frobose, Johnny Hartness, Lynda Stallings, Anne Townsend. **STANDING**: Jim Middle-

ton, Jane Ferrell, Pam Robinson, Steve Sharpe, David Williamson, Brenda Allen, Johnny Slater, Bobby Kornegay, Martha Kinchloe, Josephine Vann.

Staff members check by the Hi-Noc-Ar room before school to receive assignments and instructions from the editor.

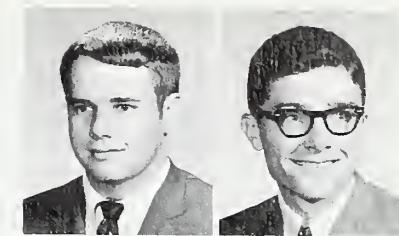

Typing copy for page layouts is frequently  
exasperating work!

The 1966 HI-NOC-AR staff is composed of twenty-six members whose purpose is to present an accurate, colorful account of the school year.

Ads must be sold and laid-out, albums of pictures must be planned and taken, and pages of copy must be written. United, organized effort and hours of hard work are required to meet each deadline. Miss Alma Murchison and Mrs. Jane White, the advisors, and Mr. Joseph Allegood of the American Yearbook Company answer the many questions and help to solve the last minute problems.

What makes the devoted members of the staff so eager to serve? Perhaps it is that special feeling of accomplishment that comes when they hold the finished product in their hands and see, in tangible form, the results of their time and labor. Being a creator of memories is an exciting, unique, rewarding experience. The HI-NOC-AR staff realizes this responsibility and tries to present a book that will please the students and fill them with pride.

Editor-in-Chief

Eight seniors and fifteen juniors, advised by Mrs. Margaret Williams, publish the student newspaper, the BLACKBIRD, twelve times annually. Junior staff members study journalism techniques and write stories for the eight-page paper, while senior members do editorial and makeup work. In addition to journalistic activities, the BLACKBIRD features a kick-off assembly, the Miss Print Contest, and the coronation ceremonies for the Junior-Senior Beauty Court. Financed by a subscription drive and an advertising campaign, the BLACKBIRD provides an interesting account of life of students of Rocky Mount Senior High School.

## Willingness to Serve

Organized in 1937, the Service Club renders invaluable aid and service to the school and community. New Junior and Senior members are selected on the basis of service, scholastic standing, leadership, and other outstanding qualities.

Included among the club's activities are raising and lowering the flag daily, selling programs and raising the flag at home football games, and presenting devotions

at school assemblies. Funds for an annual scholarship are raised by selling light bulbs. By sponsoring a needy family at Christmas, the Service Club performs a beneficial service. It sponsors the two highlights of the school year, the Homecoming Parade and Christmas assembly. To climax the year's activities, members of the Service Club present a pre-Easter prayer assembly and the Easter Sunrise Service.

The first semester officers of the club are **SEATED:** Corrye Minges, President; Elizabeth Wagner, Corresponding Secretary. **STANDING:** Moses Barker, Treasurer; Lynda Harrell, Recording Secretary; Fred Barden, Vice President.

The Needy Family Committee checks the supplies collected by the Service Club for its Christmas project.

## Confetti, Ribbons, Corsages!

One of the oldest service clubs, the Good Sports Club, works to serve its school and community. The members who are chosen on the basis of "sportsmanship, leadership, character, and service . . . as shown in their relationship with the students and faculty of this school" carry out their varied activities with enthusiasm and a sincere desire to serve. The Good Sports girls are the ones who sell ribbons and homecoming corsages, cut

confetti and decorate the goal posts for all home games, and enter a float in the Homecoming parade. At Christmas they are the ones responsible for the attractively decorated auditorium lobby and the outside display. Also, the club helps a needy family to have a happy Christmas. At the end of the year, all athletes are entertained by the Good Sports Club at a picnic as a climax to a year of enthusiastic activity.

The Good Sports girls decorate a Christmas tree in the auditorium lobby as one of their special projects.

Both coaches and students boost school spirit by purchasing ribbons from the Good Sports Club.

## "Music Hath Charms"

Listening to Brahms, Beethoven, and Bach may seem square to many, but it supplies enjoyment and relaxation to the members of the Music Club. During club meetings under the supervision of Mrs. Mary Wood Bob-

bitt, one will find them in the Student Lounge indulging in the enjoyment of their favorite melodies. Jazz, dixieland, rock 'n roll, opera, and other types of music are also included in their program.

## Maturing Socially

Every Monday during the club period, a group of card players and kibitzers assemble under the guidance of Miss Craighill and Miss Grant to play bridge. Huddled four to a table, the members have fun and gain invalu-

ble training and a feeling of clean competitive accomplishment.

Founded only two years ago, the Bridge Club is rapidly drawing the interest of many non-members.

The members of the Bridge Club are **SEATED**: David Price, Carl Joyner, Bill Whitehead, Marvin Moss, Dickie Oakley, Spencer Low, Barbara Etheridge, Helen Chamblee. **STANDING**: Janice Bowen, Shiela

Purdue, Kay Clark, Ann Taylor, Darcus Keeter, Cheryl Pollard, Brenda Crocker, Carolyn Spain, Becky Lee, Chris Stanley, Linda Bethea, Barbara Pierce.

## D. E. Students — Job Trainees

At Planters' National Bank, Mrs. Bone and Mr. Waters supervise the work done by Gayle Parrish and Vivian Winders.

By dividing their time between on-the-job training and classroom instruction, the members of the Distributive Education club prepare themselves for their future vocations. Guided by Mr. John Langley the D.E. students learn the principles of retail and wholesale distribution.

The purposes of the club are represented by the four sides of its diamond-shaped emblem. These are: vocational understanding, civic consciousness, social intelligence, leadership development.

Each year club members win recognition for outstanding work on the local and state levels.

The members of the D.E. Club are **FIRST ROW:** Earl Lowe, Mike Wootten, Donna Jo Williams, Jean Lane, Barbara Reynolds, Susan Cooper, Sarah Campbell, Debbie Jo Perry, Mr. Langley, Vivian Winders, Margaret McGee, Kenneth Carpenter. **SECOND ROW:** Elton Gardner, Phil Searcy, Herbert Rouse, Mike House, George Jones, Steve Reams,

# Bigger and Better!

"Band! At . . . ten . . . tion!" barked the drum major. In snappy black and gold uniforms, the Rocky Mount Senior High Band produced beautiful half-time shows at the football games. Fans cheered wildly upon hearing "The National Anthem", "Hail to the Varsity", and "Dixie".

The 72-piece group, including seven majorettes and the drum major, under the direction of Mr. Frank Hammond, stepped high for parade audiences and thrilled many with its musical showmanship at concerts.

The dance band, formed last year, matured; its members learned much about modern and classical jazz.

The band projected spirit at school and throughout the community and state. Members eagerly sold chocolate candy and gave concerts to raise money for bus trips, music, a banquet, and a telephone in the band office. The city called upon the band to welcome dignitaries. All State Band auditions were held. Ten students were named to the Symphonic Band and two were chosen for the Concert Band. In June, the Band concluded another successful year by providing music for graduation exercises.

"It's All Right With Me" is one of the Dance Band's favorite numbers.

The majorettes are Sylvia Quincey, Dinah Felton, Bobbie Dixon, Joy Craig, head, Cheryl Floyd, Camilla Moore, Paula Boyd.

The members of the band in standard position are **FIRST ROW:** Ann Bell, Landye Eagles, Lee Bobbitt, Cary Fountain, Sarah Willis, Otto Moore. **SECOND ROW:** Beth Ann Boone, Jim Middleton, Henry Gorham, Donna Bradham, Sallie Jo McCoy, Mike Weatherford, Jackie Hayes, Margaret Tharrington, Randy Crawford, Barry Winstead, Grayson Shuff, Jimmy Cox. **THIRD ROW:** Tom Collins, Homer Vernon, Cassandra Gardner, Ann Viverette, Susan Bennett, Elaine Honegger, Karen Couch, Ronnie Eggers, Billy Weatherford, Dawson Haddock, Steve Bunn, Mike Eatman, Bobby Thompson, Doug Bradham, Louis Fields,

## Perfecting Vocal Talents

An affinity for music moves the eighty-nine members of the Rocky Mount Senior High Choir to spending many extra hours in training and rehearsing. However, the sacrificed time brings generous rewards in the development of their singing ability and provides excellent entertainment for the student body and the public.

In informal but productive classes, Mr. Parry, the choir's director, instructs the singers in reading music, music

theory, and voice projection. Moreover, the choir's efforts have produced a broad repertoire which stretches over folk, religious, classical, modern, and show music.

Traditionally, the choir presents a Christmas and Spring Concert to the student body and the public. In addition, they demonstrate their talent in performing for local civic organizations and public concerts of which the most outstanding is a Christmas concert at Tarrytown Mall.

Theresa Pollard is the choir's pianist.

Extra talent and interest are the criteria for this year's new, exclusive group, the Modernairs.

The members of the Kudos Club are **FRONT ROW:** Carol Dubel, Brenda Long, Carolyn Williams, Beverly Fowler, Donna Carroll, Alice Andrews. **SECOND ROW:** Judy Jordan, Carolyn Cannon, Tessie Price, De-

Iores Davis, Pam Petway, Carolyn Ballentine, Ann Bunn. **THIRD ROW:** Wayne Janney, Lonnie Bryant, Mike Pittman, Woody Gibson, Mrs. Marcom.

Among the most active students at Rocky Mount Senior High School are the eighteen members of the Kudos Club. They find that they must put forth a tremendous effort to uphold the high ideals of their organization. Their stated purpose is "To serve classmates, school, and community, and to work unselfishly for others." In the eleven years this club has been in existence, it has served others by collecting money for the Red Cross, ushering at P.T.S.A. open house, and serving a light breakfast following the Easter Sunrise Service. To finance these projects, the Kudos Club annually sells plastic HI-NOC-AR covers.

## Concern for Others

George Horton hands Frank League a piece of driftwood for the S.O.S. garden as Gail Casey supervises the action.

Stamp out Superman? Search of Submarines? No, S.O.S. stands for the aim, "Service over Self," and that is exactly what this active club accomplishes. Selling refreshments at baseball games, helping a needy family at Christmas, making Easter bunnies for small children in hospitals, caring for the indoor gardens in the lobby, and publishing and selling programs at the basketball games are the S.O.S. Club's worthy projects.

This club, with Mrs. Robert K. Hardy as advisor, is typical of the helping spirit of Rocky Mount Senior High School.

The S.O.S. Club officers are Pete Flye, president; George Millar, vice president; Pat Pridgen, secretary; and June Perry, treasurer.

Organized in 1956 by Mr. C. M. Edson, the Phalanx Club this year celebrates its tenth year of service. Members of this club are always busy in a variety of activities: helping the needy at Christmas, placing prayer cards on the lunch tables during Holy Week, selecting a player of the week during basketball season, and, on Awards Day, presenting a trophy to the basketball player of the year. The club, advised by Mrs. Speight, also aids the community with projects whenever the opportunity arises.

The club officers for the first semester were: Chuck Coley, President; Frank Bradley, Vice President; Nina Williams, Secretary; and John Daughtridge, Treasurer.

Landyce Eagles and Billy Alford are pleased with the amount of supplies for the Phalanx Club's needy family.

## Publicizing School Activities

In its capacity as an outlet for the extracurricular interests of R.M.H.S. students, the Radio Broadcasters Club prepares its members for positions in the expanding field of electronics. They find the opportunity for ap-

plication of their knowledge and talents in the varying tasks of directing and producing the group's weekly broadcast, "News and Blues of Senior High."

## Beaming Reminders of Enthusiasm

When R.M.S.H. Cheerleaders yell, "We've got the pep. We've got the steam," they're including the Booster girls in a big way. These 35 attractive radiators beam school spirit throughout the year, supporting events from football to choir and band concerts.

Each booster must be willing to spend time and effort

spreading pep posters which advertise upcoming athletic events, compiling scrap books to preserve the spirit of each year's varsity Blackbirds, selling those ever-popular pom-poms and living up to their title in every possible way.

## "We're from Rocky Mount . . ."

The Cheerleaders get ready to move out in the overloaded jeep, their Homecoming Parade entry.

A huge, vivacious bunch of energy . . . that is the cheerleaders of Rocky Mount Senior High School. Here and there, always promoting school spirit for all athletic events, they are our most ardent boosters.

Whether at a pep rally with a blazing bonfire, or entertaining guest cheerleaders before the game, these girls are responsible for keeping interest high.

In victory or defeat our girls are on hand to cheer the team on and to boost school spirit. A noisy, spirited group—these girls perform their cheers with enthusiasm and precision.

With an H-E-L-L-O, the Cheerleaders begin their Hello cheer.

## New Coach-High Hopes

Sometimes all the desire and work in the world cannot produce a winning team. This statement fittingly sums up the 1965 Rocky Mount Senior High football season. Forty-five boys ran onto the field in sweltering heat on the first day of practice. The two-a-day practices continued for two weeks until school started. There were many times during the first practices when the boys wanted to sit down and quit, but something inside them made them keep on going. By the first game, the squad had been trimmed down to thirty-five players. The Birds lost a heart-breaking game in their opener against Burlington. The team had to overcome the many frustrations of losing in order to give their best efforts in the next game. The problem was how could anyone or group overcome these frustrations week after week? In addition to this problem, the Blackbirds were confronted with injuries and, at times, poor playing conditions. Even though our Birds could not have a winning season, they displayed as much hustle, desire, and pride in themselves as any previous team at Rocky Mount Senior High.

**Rocky Mount – 0      Burlington – 6**

Rocky Mount's Blackbirds opened their season against a rugged Burlington team. Burlington's lone touchdown came on a thirty yard run by Pete Burgess. Although the inexperienced offense of Rocky Mount had its opening game troubles, the running of Johnny Williams and Jim Price showed great promise. Rocky Mount's lack of offense was compensated by their outstanding defensive play which held the Bulldogs to only six first downs.

This Bulldog had second thoughts about that promising paydirt before being confronted by Blackbird defenders, Sanoy Easley and Bob Kornegay.

Members of the varsity football team are: **FRONT ROW:** J. Merkerson, E. Baysden, A. Batchelor, T. Smith. **SECOND ROW:** R. Gass, manager, L. Tyler, B. Redding, B. Kornegay, B. Thompson, B. Meakin, W. Gibson, manager. **THIRD ROW:** B. McCarver, J. Collins, R. Rackley, S. Easley, D. Etheridge, M. Hargrove, W. Webb, S. Lee, manager.

**FOURTH ROW:** J. Price, C. Ball, R. Bass, S. Robinson, P. Sanders, J. Lewis, J. Ruffin, E. Turner, S. McCullough. **BACK ROW:** Coach Whitley, S. Lee, C. Coley, F. Barden, C. Batts, J. Williams, W. Broughton, M. Colombo, J. Clayton, A. Prather, M. Taylor.

Blackbirds — 0 Goldsboro — 7

Blackbirds — 0 Wilmington — 7

After a poor offensive showing in their first game, the Blackbirds showed surprising strength in a close game with a powerful Goldsboro team. While Rocky Mount threatened time and time again, Goldsboro crossed the midfield stripe only a few times.

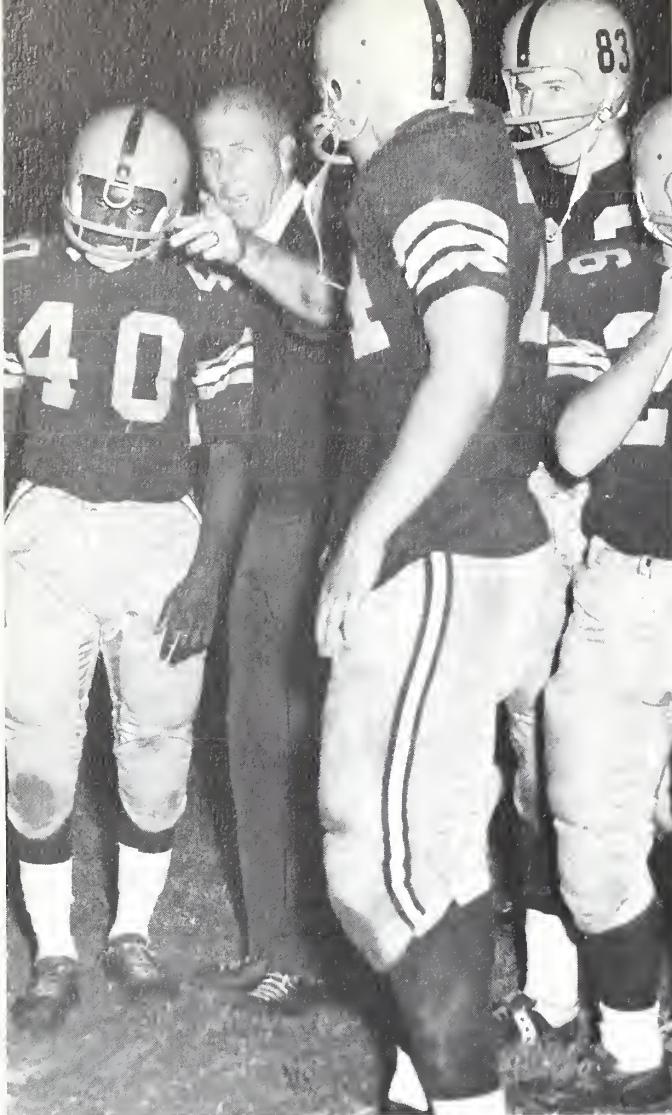

The spirited Wilmington Wildcat's used a crushing defense to contain Rocky Mount's sporadic offense in the third game of the season. As in past games, the Blackbirds sparkling defense was the bright spot of the night.

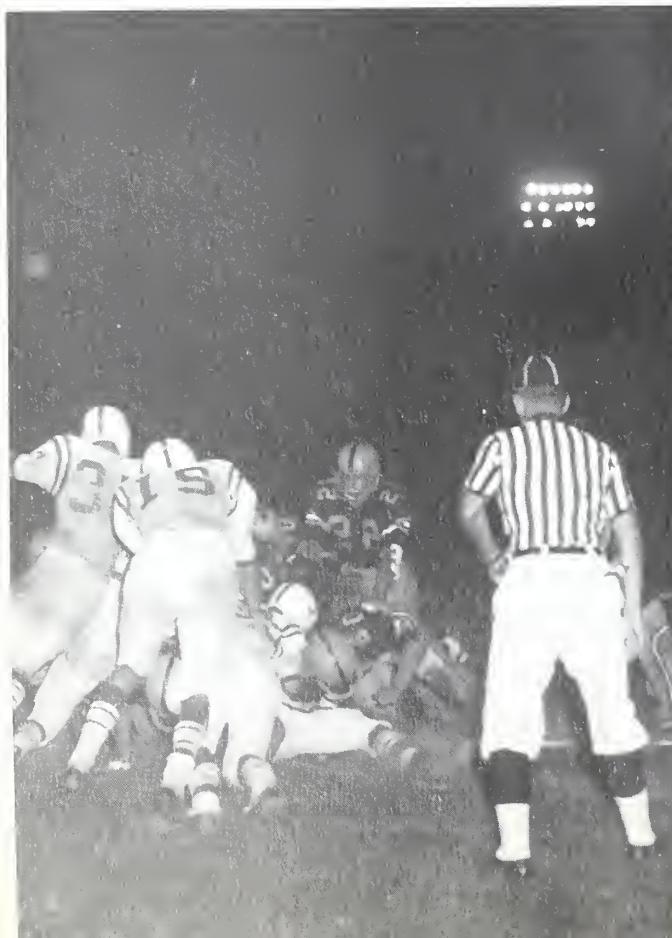

It's full steam ahead for Johnny Williams as Blackbird backs clear the way.

The Birds take a half-time break.

Coach Whitley gives Mike Hargrove last minute instructions before he enters the game during a crucial period.

## Blackbirds — 7 Enloe — 6

Rocky Mount's offense finally came alive for one touchdown and that was all that was needed as the Blackbirds won their first game of the season by defeating Enloe's Eagles. Jack Collins set up the Rocky Mount touchdown with a pass interception in the second quarter. He then passed for thirteen yards to bring the Birds into scoring range. From there, halfback Johnny Williams carried the ball over for the first score of the season. Jimmy Lewis's kick for the extra point proved to be the deciding margin as the Blackbird defensive unit completely smothered Enloe's faltering offense in the second half.

After their first win of the season, the Blackbirds were hoping to improve their won-lost record as arch rival, Wilson, came to town, but as in all the previous games, one touchdown made the difference. Following Wilson's score, neither team could generate any type of offensive threat.

## Blackbirds — 0 Wilson — 7

Quarterback Scotty McCullough runs around left end to pick up valuable yardage for the birds.

Jacksonville had to use a determined goal line stand in order to stop the Blackbirds spirited offense.

Halfback Jimmy Lewis breaks into the clear to score his first touch-down of the season.

Anxious Blackbirds await their turn to get in the game.

## Blackbirds — 7 Fayetteville — 28

Sophomore quarterback Bill Griffin made his first varsity appearance in the tough offensive game with Fayetteville. Showing fine poise and alertness, Griffin passed and ran the ball with seemingly varsity experience. The Blackbirds held on for life in the first three quarters, showing explosive force in offense and defense. Bird mistakes that drew costly penalties kept the score down until the combined running efforts of the backfield and a sensational leaping catch by Colombo on a pass from Collins, scored with a short run by Lewis. Even though they suffered their biggest-margin of defeat, the Birds proved themselves a football team that could move the ball.

## Blackbirds — 7 Jacksonville — 0

A storming Rocky Mount defense met Jacksonville to rack up its second victory of the year. Jacksonville was completely outclassed both offensively and defensively by a staunch RMSH line. Barden, Batts, Lee, Redding, and Webb gave it all they had to halt any offense the Cardinals could offer. The breaks finally came through as Lewis and Williams found the right hole for long gains. The Birds scored in the second quarter on a drive directed by Griffin. Mike Hargrove contributed great backfield work with sharp punt returns.

Bill Griffin utilizes his knack for broken field running to elude Jacksonville tacklers.

**Blackbirds — 7    R. Broughton — 7**

Jimmy Lewis turns on the steam as he meets a host of Raleigh defenders at Riddick Stadium.

A raring to go Blackbird squad broke up any plans Broughton might have had for a conference title with a well deserved tie game. A fumble on the one foot line with twenty seconds remaining in the game cost the Birds a great victory. Griffin proved himself again a fine new quarterback with numerous passes and runs. The ball changed hands many times as R.M.S.H. played inspired ball offensively and defensively.

A disease called "fumbleitis" attacked the Birds in their battle with Myers Park. The scoring break came in the third period when Colombo scooped up a dropped pass and went over for the score. Rackley's alertness and William's running ability set up the yard gaining plays, while Broughton enjoyed his finest kicking game of the year.

Football award winners are: Jimmy Price, Best Blocker; Freddy Barden, Billy Smith Award; Johnny Williams, Most Valuable Player; and Buzzy Redding, Best Defensive Player.

**Blackbirds — 7    Myers Park — 27**

Johnny Williams looks back just in time to grab a pass from Bill Griffin while a Myers Park defender closes in.

Homecoming proved to be a vicious defensive battle with the highly favored Durham Bulldogs. Outstanding Blackbird defensive play from the whole team held the Eastern Regional Champions to their lowest point total of the year. The second half proved to be a stalemate for both teams. Rough and tough defense from both sides kept up pressure and the Birds finished the game with a decisive victory in rushing, but not enough points to win.

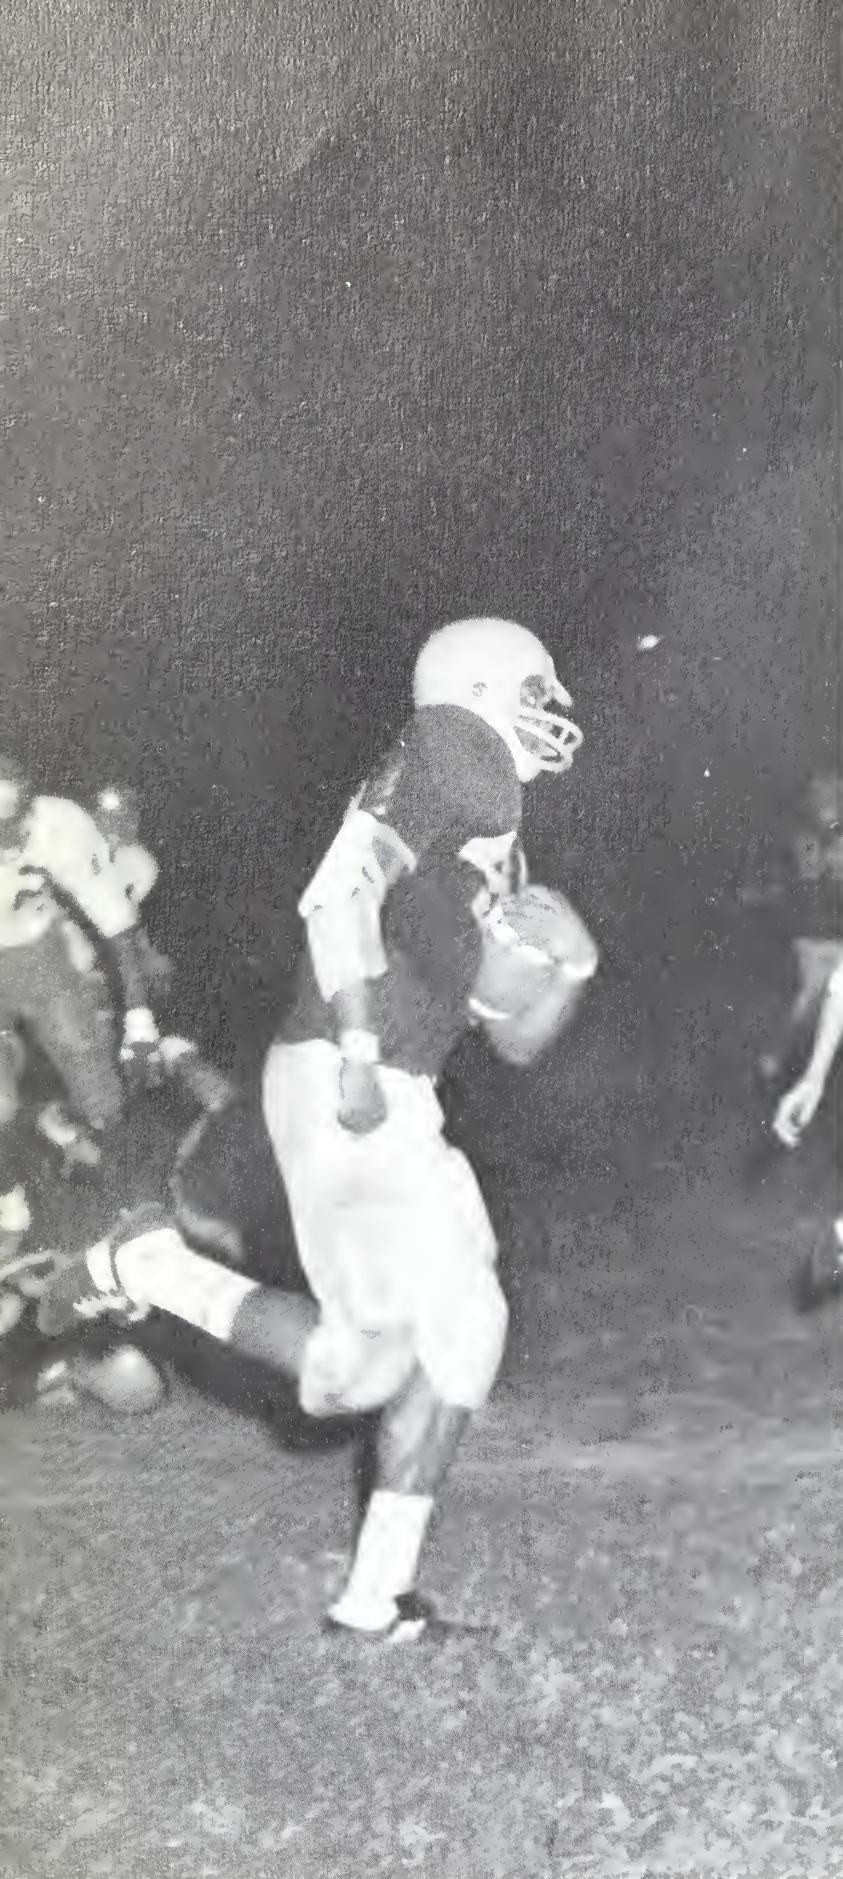

Blackbirds — 3      Durham — 6

Mike Hargrove and Jim Price collide as they are met by an onrush of Durham tacklers.

Members of the Rocky Mount coaching staff are: Head Varsity Coach Dudley Whitley, Head J.V. Coach John Stott, Assistant J.V. Coach Bobby Dunn, Varsity Line Coach Walter Wiggins, and Varsity Backfield Coach Ray Durham.

Jim Price snags a pass which is good for valuable yardage.

## J.V.'s Look Promising

The J.V. Football team, under the leadership of head coach John Stott and assistant coach Bobby Dunn, worked very hard from mid August until November. Although this group of athletes gets very little publicity and recognition, they have glorified their school by giving all that could have been expected of them. The Jayvees compiled a record of two wins, three losses, and three ties against tough competition. One of the main purposes of the J.V. team is to train inexperienced underclassmen in the fundamentals and principles of the game. Several sophomores and juniors progressed very rapidly and were elevated to positions on the varsity team.

Members of the J.V. cheerleading squad are: **FRONT ROW:** Penny Hicks, Head; Lee Hudson, Jamie Harris, Ginny Gregory, Fran Warren. **BACK ROW:** Martha Arrington, Pam McDonald, Sherry Shuler, Lynne Jefferson, Woody Bobbitt.

## Birds Rebuild

Having lost a good many first-stringers, the 1966 Blackbird cagers began the season with brand new talent. Only a few members of last years team returned to spur the Birds on in the tough-as-ever games they faced. This years edition of the cagers, despite handicaps, worked hard to give the fans the type of game they wanted and expected. They had everything going against them except spirit, determination, a willingness to work, and coaching that made every man a better player.

No one knew what to expect from this team as the season opened. Even though they didn't win as many games as they would have liked to, this new talent worked, and despite the many problems, formed a team they could be proud of.

Robert fakes out Denton for an easy lay-up.

Trying new patterns and player combinations to eliminate weak points, the Birds felt their way through the first half of the season. Each game brought new problems which the inexperienced squad had to overcome. Despite point totals, the cagers gained tremendously in strength, speed, and shooting ability at every outing. This team may not go down in history as our greatest, but it sure will as one of our fightingest. With this constant improvement and charging spirit, the Blackbirds have a potential to better their early season record considerably.

Chuck shows typical Blackbird hustle as he struggles for the ball.

## Stars of Tomorrow

Under the able leadership of Coach Ray Durham, our Babybirds showed as much finesse and poise as any J. V. team in several years. Since these boys came from two different junior high schools and did not play together as a team last year, it was quite a job to mold the fourteen members into a well-oiled basketball machine. With only two weeks of practice before starting the season, the Babybirds showed midseason form in beating a determined Kinston team. After the first six games, the team was strengthened as some players were sent down from the varsity for playing experience. This year's J.V. team showed that Coach Lundy will have a lot of promising material to work with next year.

Members of the J.V. team are: **FRONT ROW**; Jimmy Hart, Tommy Rackley, Hatcher Kincheloe, Rob Pitt, Ben Alford, Bill Griffin. **BACK ROW**; Coach Durham, Dan Ballance, Frank Bradley, Mike Brown,

Jimmy Johnson, Mike Viverette, Dicky Berry, Steve Broughton. Absent from the picture is Steven Battle.

Dicky Berry and Hatcher Kincheloe practice free throws to warm up for an afternoon workout.

## Stott New Baseball Coach

Darrell Johnson slides safely into second base.

Following a switch in personnel, the Blackbirds had a new head baseball coach. Mr. John Stott was elevated from assistant to head coach and Walter Wiggins served as his assistant. The team had eleven returning letterman about which to form a contender for the league championship. Since several positions had no returning starters, many underclassmen sought a place on the sixty-six squad. With the addition of two new teams in the league, the competition for the conference crown proved keener than ever before. In order to get in a sufficient amount of pre-season practice the coaches were hoping for good weather. The pitchers and catchers were first to begin workouts since they could practice in the gym. The Blackbirds had one of the most experienced mound staffs in the league. The leading pitcher was Bobby Gunn who was one of the outstanding hurlers in The Eastern 4-A conference in sixty-five. The great spirit and effort of the entire team made the games even more interesting.

Members of the 1965 team are, **FIRST ROW:** T. Smith, B. Collins, D. Roberson, S. Hendricks, A. Ricks, W. Webb, R. Edmondson, and J. Dubel. **SECOND ROW:** D. Laughridge, T. Bossolono, T. Davis, L. Joyner, E. Lynch, J. Arrington, B. Gunn, S. Robinson, and B. Ez-

zell. **THIRD ROW:** Coach D. Whitley, Assistant Coach J. Stott, S. Peterson, H. Amerson, J. Croom, H. Strickland, B. Blaylock, D. Johnson, J. Saint-Amand, and R. Fly.

Arrington and Webb attempt a pick off.

Birds and fans mingle on the field after a victory.

## Bend and Stretch

Although many schools consider track as a minor sport, the students of Rocky Mount Senior High took pride in this years squad. With the return of standouts such as Freddy Barden in the shot put, Johnny Williams in the 100 yard dash and 400 yard relay, and Robert Pierce in the mile run, our team held its own against the top teams in the conference. Our Blackbird trackmen worked hard during the season to honor their school with a winning season.

Jim Merkerson takes a big stretch to clear a hurdle during pre-season workouts.

## Netters and Linkers

The golf team under the leadership of Coach Lloyd Thrower felt the loss of last year's seniors but still were able to make a strong showing in conference play. Led by veterans Dave Jolley, Tom Bailey, Bill Robbins and Bill Harper, the team gained added strength from newcomers Dick Berry, Nick Johnson, Hatcher Kincheloe and Steve Battle.

Coach Bobby Dunn was pleased with the prospects for a successful season for the tennis team. His optimism was based on the fact that several leading players returned, namely Graham Felton, Jack Collins, Tom Jones, and Steve Sharpe. Players expected to give added support this year were Lee Tyler, Bill Hedgepeth, Donnie Hall, and Jimmy Johnson.

Members of the tennis team are: FRONT ROW; Bruce Gurganus, Johnny Harness, Lee Tyler, Bill Hedgepeth. BACK ROW; Graham Felton, Donnie Hall, Jimmy Johnson, Tom Jones, Steve Sharpe.

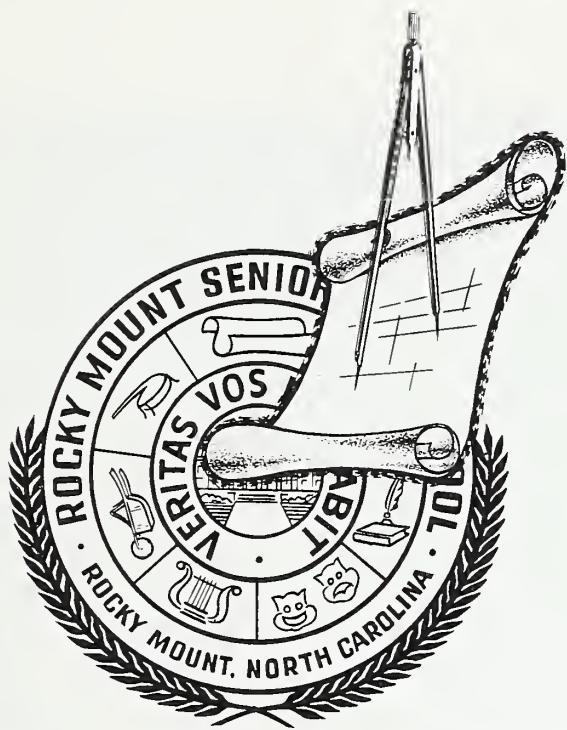

Members of the golf team are: Nick Johnson, Dick Berry, Hatcher Kincheloe, Dave Jolley, Coach Thrower, Harry Fish, Steve Draper, and Tom Bailey.

Members of the National Honor Society, Jill Shearin, Blair Frobose, Eddie Baysden, Jan Corn, Adrianna Grant, Mary Ann Pregnall, Ann Bell, David Petway, Theresa Pollard, Joy Craig, Tommy Gurley, Johnny Harness, Jimmy Delbridge, Pam Robinson, Dianne Mayo, Mike Colombo, and Clay Couch watch as Hugh Shearin swears in new in-

ductees, Charles Dice, David Williamson, Bob High, Sharon Parham, Elizabeth Wagner, Uneeda Brewer, Carol Cowand, Kay Phillips, Susan Kovarco, Tom Collins, Tommy Smith, Ann Robertson, Mary Fond Daughtridge, Claudia Tant, Becky Edwards, Donna Manning, Beth Ezzell, and Gay Lyles.

## National Honor Society

One of the greatest honors that can come to a high school student is membership in the National Honor Society. In order to receive this honor, it is first necessary to achieve a 90.5 average. Those students having maintained this level of scholastic excellence for three successive semesters are then considered for membership with the criteria of leadership, service, and character.

Under the direction of Mrs. VanBuskirk and Mrs. Hayworth, this active organization presents two impressive tapping ceremonies each year. After each ceremony, a tea is held to welcome the new members and honor their parents. During American Education Week, the society presents each teacher with flowers as an expression of gratitude for their devotion. A scholarship of \$100, the Most Valuable Member Award, and the Wita A. Bond Award for outstanding mathematical achievement are presented to members of the Senior Class. All activities are financed by an annual carwash and the selling of pencils in the school's student store.

During American Education Week, Theresa Pollard, Charles Dice, and Joy Craig express our gratitude to the teachers.

The primary purpose of the post-tapping teas is to honor the new members and their parents.

# Black Masquers

The Black Masquers is an honor society for those showing a vital interest in Dramatics and the Theater. Any student of the Edsonians Dramatic Organization who has done outstanding work is eligible for membership. Any person who has been a member of this organization for one year is eligible for election to one of the four offices.

The Black Masquers sell personalized stationery during the entire year. The profit from this project is used to add equipment to the Dramatics Department and furnishings for the Green Room.

During the year the Black Masquers provide ushers for many special community performances at the Senior High Auditorium.

The officers are President, Martha Chambliss; Vice President, Jim McCullen; Secretary, Sue Farmer; Treasurer, Phil Combs; Advisor, Mrs. Ada Hobbs.

The consistent school spirit of the Black Masquers reveals itself in their homecoming parade entry.

Members **SEATED** are Pam Strickland, Beverly Rosser, Corrye Minges, Jane Cousins, Gloria Hutto, and Judi Barth. **STANDING** are Barbara

Overman, Larry Grooms, Bish Godwin, Gene Lewis, Bobby Coley, Larry Farmer, Ed Campbell, and Kathy Sprye.

The smiles on the faces of the Committee express the pleasure they experienced while visiting Rocky Mount Senior High School.

With a smile and a witty remark, Mike Colombo exemplifies to Dr. Hartsock and Dr. Ebbs the happy attitude of Rocky Mount Senior students.

## Re-Accreditation

On December 9, 1965, those of us at Rocky Mount Senior High had the opportunity to experience what the renowned Robert Burns suggested when he said "O wad some Pow'r the giftie gie us to see ousrels as ithers see us!" It was visitation day for members of the committee evaluating our school for purposes of Re-Accreditation by the North Carolina Department of Public Instruction and the Southern Association of Secondary School and Colleges.

Dr. Charles F. Carroll, State Superintendent of Public Instruction has said: "Good schools represent dividends on investments of time, effort, and resources by a community. Such schools are not likely to come by chance. A genuine desire for maximum educational opportunity for children and youth and a willingness to provide the essential support, financial and otherwise, are twin ingredients of a qualitative program. Continuous improvement is a constant challenge to every school staff and to every school community; therefore, the main purpose of accreditation is to promote self-study and improvement in the school as a means of achieving desirable goals for all pupils."

For four years Rocky Mount Senior High engaged in a thorough self-study and evaluation program which was climaxed by the visit of the committee of distinguished educators.

Mr. Paschal, Dr. Eargle, and Mr. West seem to be intrigued by the activities in the dramatics class.

Student host Jim McCullen explains to Mr. Loessin that Senior High students are proud of their achievements.

Reports, recommendations — the committee's work goes far beyond visiting the classrooms.

Students and Committee members relax before the question and answer period begins.

Mrs. Lundy points out to Mrs. Porter that our English department offers a variety of literature and grammar.

Since the first days of this school year the students, teachers, and service personnel have worked together to make this a prosperous and meaningful year at Rocky Mount Senior High. From those hectic months spent preparing for Re-Accreditation to the last days of graduation practice and final exams, the school has demonstrated a united effort to see that we progressed in spirit, mind, and body.

For some, these efforts have been recognized by awards and honors. For others, working behind the scenes, the tasks have been acknowledged only by the "thank yous" expressed by the students and faculty.

But no matter how small the efforts may have been, they have all helped Rocky Mount Senior High School become a respected institution of development and learning.

DAR Good Citizen Brenda Allen and her parents smile as she is presented the award by Mr. Colombo.

Allene and Walter Howard and James Walker work daily to keep our building clean and neat.

Office Practice girls aid teachers by typing tests and special reports.

"Dim the house lights!" sets Philip Combs, Dickie Seaton, Larry Grooms, and Wayne Daniel, into action.

Corrye knows that it'll be a strike, but Warren doesn't look so sure.

Loraye seems to be thinking about yesterday, today, and tomorrow.

"Dear Mary, Guess who called me Wednesday night!"  
"Look, it's a strike!" "Would you like to go to the movies Friday night?"

All of these expressions signify another phase in the life of Rocky Mount Senior High students — relaxation. Long hours spent studying and fingers cramped from writing are forgotten as we gather to bowl, dance, or talk over the latest fad.

But as we pause to relax we also must take time out for thoughts of what is to come. As the school year 1965-66 draws to a close, we remember the lessons learned, the friends made, and the disappointments suffered. Then we look to the future and realize that we must continue to progress by growing in wisdom, courage, and honesty. We must remember the things this year at Rocky Mount Senior High School has taught us and let her ideals high be our goal till time has passed away.

Joy Craig pauses before beginning her letter to Mary . . . or Bob, as the case may be.

"PEOPLE MAKE THE DIFFERENCE"

**OUR NEW SYMBOL OF SERVICE  
(IT WAS DESIGNED FOR YOU!)**

Working for and with you has always been our sole concern. That's why we were named the Peoples Bank and Trust Company in 1931, and it's why people were made the most important part of our new service mark.

Branches to make it handy for you to bank with us, electronic devices to speed up service, and large resources to back up what we set out to do in each community we serve . . . yes, we have them all. But best of all, we have people who like working with people. They put your interest first all ways.

Put yourself in the Peoples picture. You'll bank, borrow, and save better when you do!
